

NOW HIRING: General Studies Elementary Teacher (K-5)

Reports To: Elementary Principal **Works Closely With:** Judaic Studies Faculty, Student Support Team

About Denver Academy of Torah

Denver Academy of Torah (DAT) is a Modern Orthodox K-12 day school committed to academic excellence, Torah values, and nurturing the next generation of proud, compassionate Jewish leaders. As DAT strengthens its Advancement infrastructure, we are seeking a detail-oriented professional to support development operations and donor stewardship.

Position Overview

The General Studies Elementary Teacher is responsible for delivering high-quality instruction in core academic subjects including literacy, mathematics, science, and social studies, within a warm and nurturing classroom environment. The teacher supports the development of the whole child - academically, socially, and emotionally - while respecting and reinforcing the values and culture of the Jewish day school.

Key Responsibilities

1. Instruction & Curriculum

- Plan and deliver engaging, differentiated lessons in reading, writing, math, science, and social studies
- Implement curriculum aligned with school standards and grade-level expectations
- Use a variety of instructional strategies to meet diverse learning needs
- Incorporate critical thinking, creativity, and problem-solving into daily instruction
- Collaborate with Judaic Studies teachers to support student learning and schedule coordination

2. Classroom Environment

- Create a structured, positive, and inclusive classroom culture
- Establish clear expectations and routines that support student independence and responsibility
- Promote respectful behavior and strong character development
- Maintain an organized and engaging classroom space

3. Student Assessment & Support

- Assess student progress regularly using formal and informal tools
- Use data to guide instruction and support individual student growth
- Communicate student progress clearly through report cards, conferences, and updates
- Work with learning specialists and counselors to support students with diverse needs

4. Communication & Partnership

- Build strong, respectful relationships with students and families
- Communicate proactively and professionally with parents
- Participate in parent-teacher conferences and school events
- Collaborate effectively with colleagues and administration

5. Professional Responsibilities

- Participate in faculty meetings, professional development, and school initiatives
- Maintain lesson plans, grading, and documentation in a timely manner
- Reflect on teaching practice and pursue ongoing professional growth
- Uphold school policies and model professionalism at all times

Qualifications

- Bachelor's degree in Education or related field (Master's preferred)
- Valid teaching certification (or working toward certification)
- Experience teaching elementary students (preferred)
- Strong knowledge of literacy and math instruction

Key Skills & Attributes

- Warm, nurturing, and student-centered approach
- Strong classroom management skills
- Ability to differentiate instruction effectively
- Excellent communication and collaboration skills
- Organized, flexible, and proactive
- Respect for and alignment with Jewish values and school culture

- Experience with differentiated instruction and student support services
