

**Position**

Pre-Kindergarten (Pre-K) teacher

This full time, 10-month position will generally begin August 2026 and go through the end of the school year (early June/late May).

Overview

Stanley British Primary School, located in Denver's Lowry neighborhood, is a progressive independent school serving 470 children from pre-kindergarten through 8th grade. For 50 years, Stanley classrooms have been filled with engaged learners guided by inspired teachers. At Stanley, a child's education goes well beyond academics - our teachers and our instruction principles give children the opportunity to reach their full potential academically, creatively, socially, emotionally and physically. We asked parents, teachers, staff and students to reflect on why they chose Stanley BPS. The answers we heard reflect a place and a philosophy unlike any other in the Denver independent school landscape. Teaching and learning at Stanley goes beyond a simple education. Students here have a chance to play, to choose, to interact and to own and embrace their own learning.

We Value:

- An inclusive and diverse community
- Joyfulness
- Lifelong learning
- Positive and constructive communication
- Creativity, flexibility, and resourcefulness
- An understanding of elementary children and childhood
- Commitment to making a positive difference in the world

Responsibilities Include:

- Inspiring and educating children to develop to their full potential – socially, emotionally, intellectually, physically, and creatively
- Creating a safe, supportive, mutually respectful classroom community which values the distinct contributions, background, and abilities of each child
- Implementing integrated, meaningful, developmentally appropriate curricula in which students can explore and experiment through first-hand experiences
- Creating opportunities for students to know themselves, to make good choices, and take responsibility for their own learning and actions
- Communicating and collaborating with parents and actively involving them in the life of the classroom and of the school
- Communicating and collaborating positively and professionally with the Stanley staff and community

- Articulating to parents and prospective parents the developmental needs of a Pre-K student and the importance of a Pre-K program
- Actively engaging in ongoing professional development, including meeting or exceeding licensing requirements for professional development and credentials as required for the position
- Implement, support and maintain child care licensing requirements in all areas including, but not limited to; personnel and student files, classroom and playground set-up, reports and documentation, training and professional development
- Working with Division Head, the Head of British Primary Professional Learning, and fellow Pre-K teachers to design Pre-K curriculum and any accompanying documents
