**Overview**

Stanley British Primary School, located in Denver's Lowry neighborhood, is a progressive independent school serving 470 children from transitional kindergarten through 8th grade. For 50 years, Stanley classrooms have been filled with engaged learners guided by inspired teachers. At Stanley, a child's education goes well beyond academics - our teachers and our instruction principles give children the opportunity to reach their full potential academically, creatively, socially, emotionally and physically. We asked parents, teachers, staff and students to reflect on why they chose Stanley BPS. The answers we heard reflect a place and a philosophy unlike any other in the Denver independent school landscape. Teaching and learning at Stanley goes beyond a simple education. Students here have a chance to play, to choose, to interact and to own and embrace their own learning.
