Present

AI and Leadership: How best to utilize AI while Keeping your Community Safe

WHEN: Tuesday, March 12th, 2024 from 9:00 am – 10:00 am

WHERE: Remote via Zoom- Invitation will be sent prior to Webinar

AUDIENCE: Heads, Division Heads and IT Directors

Webinar Description:

Navigating the world of AI can be both exciting and challenging as a school leader. While you may have dabbled with AI use personally, it can feel daunting to make whole-school decisions around how best to utilize AI while keeping your community safe. In this one hour session, we will explore:

- The 3P Framework: a simple framework for guiding AI decision making
- Adapting or adopting new curriculum
- Rethinking plagiarism in the age of AI
- Selecting the right AI tools/ Introducing Toddle AI

You will come away with tools you can use to drive decisions in your school with confidence.

Biographies of presenter:

Cindy Blackburn, M.Ed. Cindy has a Masters of Education in Teacher Leadership and worked as an elementary educator and administrator internationally for ten years. She currently works as the Director of learning and engagement at Toddle and specializes in developing resources to support teachers and leaders in honing their practice and understandings, to make professional learning simple, actionable, and above all else, joyous.
